BUTLER THEATER, TONOPAH

Have you a "silent" musical in-
strument in your home? Unless it's
anchored there by sentiment, let a
"for sale" ad in the Bonanza find a
buyer for it.

If it's of exceptional value at the
price, it's sure to be advertised in
the Bonanza, else the merchant would
be hopelessly unprogressive.

WILL ARRANGE
FOR FUNERAL OF
YOUNG NEPHEW

UNDERSTOOD THAT REMAINS OF

WILLIAM FITZGERALD WILL

BE SHIPPED TO UTAH

T. F. M. Fitzgerald, foreman at
the Belmont Mining company, de-
parted for Reno this morning, where
he will make arrangements for the
burial of his nephew, William Fitz-
gerald, who succumbed Monday while
being taken to a Reno hospital. The
young man was recovering from a
pneumonia attack when he was re-
moved from the local hospital and
sent to Reno. He died aboard the
train while nearing Sparks.

The parents of the deceased have
been notified and it is probable that
the body will be taken to Utah for
interment. Mr. Fitzgerald was re-
quested by the parents to make all
necessary arrangements, and his de-
parture for Reno this morning was
for that purpose.

PRESIDENT OF LOCAL MINERS'

UNION IS TAKEN ILL LATE

YESTERDAY

Steve Clark, president of the To-
nopah Miners' union, is confined at
the Miners' hospital, suffering from
an attack of la grippe. Mr. Clark
was taken ill yesterday, and while
his conditions is not serious, he will
be unable to attend to his official
duties for several days.

H. A. Harbert, employed at the
West End, was also taken to the
hospital yesterday, suffering from
the same cause. His conditions is
not considered as serious.

LEDGE OF PURE GOLD
FOUND AT MIDAS

Arthur Primeaux, the merchant at
Gold Circle, came to town this morn-
ing and brings the report that the
Eastern Star mine recently opened
up a small ledge of what is consid-
ered the richest ore ever found in
that district, worth many thousands
of dollars per ton, says the Elko
Free Press. At first sight it looks
almost like pure gold and the ex-
citement is intense. In fact, the
miners on the property, believing
that some of the values should re-
vert to them, asked an increase in
pay from \$4.50 per day to \$7, and
when the owners refused, the men
went out in a body.

The rich seam is over two inches
wide, and gives every indication that
it is permanent. The property chang-
ed hands last Saturday, J. L. Pelton,
of National, taking possession. It is
not possible that the strike will ex-
tend to the other properties, and as
soon as the men get over the excite-
ment, work will be resumed.

If you should hear, incidentally,
that your favorite store had had an
unadvertised special sale of some-
thing you've been wanting to buy,
you'd feel that it had not protected
your interests—wouldn't you?

unteer Firemen are requested to
meet at the gymnasium at 8 o'clock
tomorrow morning for the purpose
of forming an escort and marching
with the remains of our late comrade,
Puddy Grimes, to the depot.

HARRY EPSTINE, President.

Don't you think that the store
that's paying for publicity in the
Bonanza, is apt to have a reason for
wanting it—just as the store that is
not advertised may have reasons for
avoiding publicity?

The real estate market will be
"dull" most of the time if you try
to sell property without the help of
the Bonanza advertising.

For quick results try the want ad
columns of the Bonanza.
